The screenshot shows the 'Aktivasi Token' (Token Activation) screen of the CCB Indonesia mobile app. The screen has a blue header with the CCB logo and the text '中国建设银行 印度尼西亚' and 'China Construction Bank Indonesia'. Below the header, the title 'Aktivasi Token' is displayed. The main text reads: 'Nomor seri perangkat token Anda adalah 300000000000. Token ini belum aktif. Silakan masukkan response token OTP (6 digit) untuk mengaktifkan perangkat Token Anda.' Below this text is a text input field labeled '6 digit Response Token OTP Anda'. At the bottom of the screen, there are two orange buttons labeled 'Ya' and 'Tidak'. A physical token device is shown to the right of the screen, with a blue arrow pointing from the text '300000000000' on the screen to the token's display. Another blue arrow points from the text '6 digit Response Token OTP Anda' on the screen to the token's keypad. The token device has a barcode and the number '78400383 121001303' on its back.
